In order to make the process as convenient as possible for you and to keep the service time as short as possible, we ask you to define a budget for the rectification of the defects identified in your device as part of the repair needs analysis, within which we can remedy them without further questions. If the necessary work exceeds the stated budget by more than 10%, we will inform you immediately before the work is carried out.

Budget in €	
--------------------	--

If you do not wish the identified repair needs to be remedied, only the BASIS check plus a service fee of 15€ will be invoiced.
